

ARWA ADEL SAYED KASSEM

FRONT-END DEVELOPER & WEB DESIGNER

+20 103 049 2880 | kassemarwa67@gmail.com | Fayoum, Sinnuris, Egypt

linkedin.com/in/arwa-adel | github.com/kassemarwa67

PROFESSIONAL SUMMARY

Motivated Front-End Developer and third-year Information Technology student with hands-on experience building responsive, mobile-first web pages using HTML5, CSS3, and JavaScript (ES6+). Comfortable translating design concepts into clean, cross-browser-compatible code and building interactive, user-friendly interfaces. Built and deployed several live web projects via GitHub Pages, with a focus on responsive layouts and DOM-driven interactivity. Eager to bring strong front-end fundamentals and a keen eye for clean design to a growing product team.

TECHNICAL SKILLS

Front-End Development: HTML5, CSS3, JavaScript (ES6+), Bootstrap, Responsive Design, Mobile-First Design, Flexbox, CSS Grid, DOM Manipulation

Programming Foundations: Java, Python, C, C++, SQL & Databases

Tools & Technologies: Git, GitHub, VS Code, Chrome DevTools, Linux

Practices: Cross-Browser Compatibility, Clean Code Structure, Debugging, Version Control

KEY PROJECTS

Restaurant Website — UI Design & Front-End Build 2026

- Designed and built a responsive restaurant website, translating a UI concept into a clean layout using Flexbox and CSS Grid.
- Structured content hierarchy to improve readability and navigation flow.
- Implemented JavaScript-powered real-time search and filtering to enhance the user experience.
- Deployed live via GitHub Pages; tested across multiple browsers.

Live Demo: <https://kassemarwa67-collab.github.io/Recipes/> **GitHub:** github.com/kassemarwa67-collab

BMI System — Interactive UI Design 2026

- Designed a simple, user-friendly interface for a BMI calculator, prioritizing clarity and ease of use.
- Built responsive layouts for a consistent, mobile-first experience across screen sizes.
- Added form validation and dynamic result display to guide users through a smooth, error-free flow.

Live Demo: <https://kassemarwa67-collab.github.io/BMI-system/> **GitHub:** github.com/kassemarwa67-collab

Personal Portfolio Website — Design & Development 2026

- Designed and developed a personal portfolio site to showcase front-end projects, with a focus on visual hierarchy and clean typography.
- Implemented a fully responsive layout with smooth-scroll navigation.
- Deployed via GitHub Pages for public access.

Live Demo: <https://kassemarwa67-collab.github.io/> **GitHub:** github.com/kassemarwa67-collab

EDUCATION

Bachelor of Technology (B.Tech) — Faculty of Information Technology (IT Department)

Fayoum International Technological University | Third-Year Student | Expected Graduation: 2028

- Coursework and self-study focused on web design, front-end development, and UI fundamentals.

TRAINING

Web Design (Freelance Track) — NTI, 2026

- Completed hands-on training in web design fundamentals and responsive design.
- Applied HTML, CSS, and design best practices to real project briefs.

CERTIFICATIONS

- Web Design (Freelance) — NTI, 2026
- Responsive Web Design — freeCodeCamp, 2026
- JavaScript Basics — Coursera, 2026
- Git & GitHub for Beginners — Coursera, 2026
